

Presbyterian Homes Volunteer Opportunities

Summer is in full swing and so is the joy around campus! The residents are enjoying sunny strolls, blooming gardens, and of course, the return of some of our favorite events.

We are grateful for your time, energy, and presence and we have more ways for you to make a difference this month. Are you looking to build relationships and make a meaningful impact every week? Join us in one of these vital roles. Be a 1:1 visitor, spending time with a resident in our Care Center or Assisted Living. Chat, play a game, or just share a quiet moment together. Your presence means the world. Join the General Store team! Help stock, take inventory, price, assist customers with transactions, and offer a warm smile. Be a Movie Theater Attendant, be a part of the movie magic by setting the stage! Lend a hand (or arm) escorting residents to and from Chapel services on Sunday's. We also need some special event volunteers so mark your calendars! These one-time events are a great way to jump in, help out, and have fun!
